

## Waitaki Girls' High School

### Teacher of Food and Nutrition Technology

Responsible to: Principal

Functional Relationships with: Head of Learning  
Learning Area Colleagues

#### Primary Objectives

To deliver the curriculum (based on the NZC) and promote student achievement by:

- Effectively teaching the appropriate curricula through good classroom management strategies and a sound understanding of the content and skills of these subjects
- Work collaboratively with other members of the Learning Area and under the jurisdiction of the Head of the Learning Area
- Attend Learning Area, staff and other meetings as required
- Prepare reports regularly on student progress; keep running records of student achievement and attend parent/teacher conferences
- Comply with the School Charter and all Board policies
- Support the school's values, PB4L expectations and mission statement by promoting them through the Learning Area
- Meet the requirements of the Practising Teacher Criteria for secondary teachers and to keep certification and professional learning up to date and participate fully in the school's appraisal programme

#### Key Tasks

- To plan, thoroughly organise and assess work as is appropriate and to monitor and develop own teaching programmes including self-evaluation of these programmes
- To provide students with detailed feedback on their progress
- To model the school's values of respect, responsibility and resilience and encourage and acknowledge it with students
- To work within the budget and teaching guidelines provided by the Head of Learning
- To consult with parents and colleagues as required

#### Person Specification

- The appointee will be a suitably qualified trained teacher and hold or about to hold a Practising Certificate as a registered teacher
- An empathy for adolescents and the ability to differentiate the curriculum to meet a variety of needs
- An ability to build learning capacity within others and foster a love of learning
- An ability to work collegially and collaboratively; be a team player
- Be prepared to be involved in co-curricular activities and the wider life of the school
