To value diversity and to develop curious, confident and connected learners.

Tēnā koutou e te whānau, he mihi nui kia koutou katoa.

Tēnā koe e te Kaiako,

Thank you for your interest in the specialist teaching position at Balmoral School's Intermediate Campus.

Balmoral School is a large, urban primary and intermediate school located in Mt Eden, close to Dominion Road. Following our recent \$33 million rebuild, we offer modern, purpose-built learning spaces and a highly collaborative teaching environment. Our school is exceptionally well resourced, with specialist facilities designed to support a rich and diverse learning programme.

Balmoral values diversity and is committed to developing curious, confident and connected learners. Alongside strong academic programmes, we have a reputation for curriculum innovation, with an integrated, inquiry-based approach to learning. Philosophy for Children is also an important part of our learning culture.

We are seeking a passionate and innovative specialist teacher to join our Intermediate Campus. The successful applicant will bring strong curriculum knowledge, a commitment to engaging and challenging learning experiences, and the ability to build positive relationships with students. We value teachers who are reflective, collaborative and open to new ideas, and who actively contribute to their teaching team and the wider school community.

As an integral member of our Intermediate Campus, you will contribute to the ongoing development of our curriculum and help ensure Balmoral continues to provide a challenging, innovative and rewarding environment for both students and staff. A commitment to professional learning, collaboration and the continued development of our integrated curriculum is highly valued.
