13 September 2019

Dear Applicant,

Scale A Teaching Positions

Thank you for your interest in a Teaching position at our school. This is an exciting opportunity for a person wanting to work with a progressive team of teachers at a semi-rural full primary school. We have a growing roll, great kids, supportive teachers, and a very supportive school community. If this excites you please read on to find out about the positions, person specifications, and additional information required for these appointments. We have several positions available at different year levels across the school. These positions are suitable for beginning teachers.

These positions all commence Term 1 2020

School Background- Eskdale School is a Decile 8, semi-rural school located in the Esk Valley, just 10 minutes north of Napier. We have a diverse range of wonderful students who generally come from lifestyle blocks, The Bay View village, Whirinaki Beach or the wider farming community. Over the past five years the school has experienced significant roll growth with the school size increasing from 170 to 350 students. Even while growing in size the school has been able to maintain its strong sense of family and links with the wider community.

The school uses problem based learning as a context for learning across the curriculum with 'learning through play' a key aspect of the junior school, STEAM in years 5/6 and Passion projects in years 7/8. As a school we focus on developing well rounded students that develop and display the school values and our learning attributes such as being a problem solver or being community minded.

Eskdale is a future focused school where technology is embraced and improved student outcomes are at the forefront of all strategic decisions. We are an Enviro School and students display the values established through our Education for sustainability programme. The school has large playing fields and a native garden area, which encourage all our students to be fit, healthy and environmentally responsible citizens. Our current whole school PLD focus is DMIC Mathematics.

For this position please complete an application letter, CV, and application form and return by 3.00pm Friday 4th October to:

Tristan Cheer
324 Hill Road,
RD 2,
Napier.

or Email principal@eskdale.school.nz

We look forward to receiving your application for one of our positions.

Yours sincerely

Tristan Cheer
Principal
