Application:  
Scale A Teacher (Permanent)

Thank you for considering an application for our current teaching position.  
Do you have a belief in the power of collaborative teaching and collaborative teaching spaces?  
Do you love to work in a school where teaching to your 'passion' is paramount?  
Are you an 'out of the box' thinker when it comes to teaching and learning?  
Then, we want you!

We are seeking a fulltime permanent teacher who is inspired to put collaboration between children, staff and parents first. You should be experienced in Year 4-6 teaching.

You will have strong professional interest in:

- Teaching in a collaborative environment as part of a wider team
- Implementing self-monitored learning in a senior environment

It is desirable that you can bring knowledge and experience in Developing Maths Inquiry Communities (DMIC) or similar maths system.

We are about to embark on a property journey that will see you working in a multi-level teaching space, with a focus on accelerative teaching practices, inquiry and student-agency within a three teacher collaborative hub.

To apply you should:

- First read our 2019 ERO review and consider whether you would fit within our school culture and have the passion and energy to be part of the team.
- Second, complete the application form, update your CV and write a covering letter that tells us what exactly you will bring that is special and different to our school.
- Third and this is **optional**. Put together a small video/photo presentation of your work, pan your classroom and show us what you do. Be assured that **this is optional**, and you will not be disadvantaged in any way should you not do this part.

Please send through your application electronically to [principal@portahuriri.school.nz](mailto:principal@portahuriri.school.nz)

Our time frame is:

- Applications close 25 November at 4.00 pm
- Shortlisting will be completed on 26 November
- Interviews will be arranged between 27 and 2 December
- Position starts 27 January 2020 (note this is our actual first day) or by mutual arrangement.

Please address any questions in the first instance to the Principal via e mail.  
Thank you and we look forward to receiving your application

Regards

**Glenn France**
